Myriad looks north to Scandinavia, embarking on a journey through music from this most beautiful of landscapes. Alongside music by Grieg and Sibelius, we explore works by Kurt Nystedt, Ola Gjeilo, and Arvo Pärt. We'll have wine glasses at the ready both for interval drinks and our performance of Erik Esenvalds' 'Stars', and conclude with the dramatic work 'Warning to the Rich' by Thomas Jennefelt. Please join us for what promises to be a fascinating voyage of discovery.

Tickets £12 (Free entry for under 16s) from **Eventbrite** and on the door
